Attaching an interesting article that appeared in the Wisconsin State Journal February 1, 2026.
All about Llamas and antibodies. I reached out to our group member, Matt who lives in Belgium. He followed up with his oncologist and it just so happens that the researchers at the Free University of Brussels (VUB) are doing this Llama antibody research. This is where Matt is getting his care. Matt will keep us updated if more information becomes available. By the way, Matt and his family are doing very well.

The Trillium Fund was established by our founding support group members to facilitate Multiple Myeloma research here in Madison at the Wisconsin Institute of Medical Research. If you or your family wish to donate or send a memorial to this program, checks can be made payable to the "UW Foundation – Trillium Fund" and sent to UW Carbone Cancer Center, University of Wisconsin Foundation, US Bank Lockbox Box78807 Milwaukee, WI 53278-8807. Donations may also be made online at www.supportuw.org/give (Trillium Fund in Multiple Myeloma Research – 112903576).
