WAHO - Wisconsin Association of Hematology and Oncology – Best of ASH

Saturday February 28, 2026 at the Madison Concourse Hotel and Governor's Club, Madison, WI

Dr Matthew Brunner sent me the attached invitation. I am currently trying to get more information on how to sign up. The sign up asks for a “provider number” to complete the registration. More info to follow on how to bypass that. This conference is not solely Myeloma information but does have a segment approximately an hour or so.

At the last group meeting I asked for topics to be suggested. One was “What are the long term effects of Chemo treatment?” Here is a very comprehensive list from the Mayo Clinic, December 2025. **Remember that this list is all-inclusive but will not apply to everyone or anyone for that matter. Work with your care team to assess your risk. The important issue is to treat your Myeloma!**
